Gone to thar otte. We understand that Mr Thos C Craft, of the firm of D A Smith & Co., has removed with his family to Charlotte, where he will hereafter to side for the purpose of conducting the branch furni ure house of the firm in that city. We commend Mr. Craft to the tender mercies of the Charlottese. He is a clever fellow and a gentleman in every sense of the word and we only hope that he will make as many friends in his adopted home as he leaves behind him in his native city.

Death of Mr Gause. We regret to learn of the death of Mr. S. P. Gause, an old and highly esteemed citizen of this place, which occurred at his residence here on Friday evening.

Mr. Gause was a native, we believe, of Brunswick county, but had resided in this city for the past thirty years, he having been 55 at the time of his death. He was an honest gentleman and an upright man, true in all of the relations of business and of social life, and his death will be felt as a loss by many outside of his own family circle.

to Mr. Scott, the keeper, for the manner in which his duties are performed. Of the County Jail they give a very unfavorable report, representing it as badly kept and very unclean, and in need of general repairs. They recommend that the keeper of the Jail be required to give it a thorough

While this enterprise is not conducted under the direct suspices of any Lodge, yet its object is to aid that noble institution, the Oxford the phen Asylum, which was calablished by the Grand Lodge of the State, and the management is entirely in the hands of members of the Order. The object is exclusively for the benefit of the Orphan Asylum, and the Committee deem t unnecessary to make any extended appeal to the neeple of worth Carolina in behalf of an institution which is so worthy of their support. The low price of the ti kets places it in the power of every one to aid a noble cause, and at the same time the chances of being reimbarsed are unusua ly favorable. It is confidently believed that the onterprise will be a success, but if, from any cause, there should be no Concert and distribution, all the money received from the ticket bolders shall be returned to them without discount.

No ticket so d will be entitled to a chance for the Gifts unless the money for the same has been received at this office.

The Gifts will be distributed immediately

after the Concert

such Gift, will notify the Pecretary by such
endersement on the back of the ticket, and the a me shall be approprieted as directed
